Mission: Israel - September 2012

The Garden of Gethsemane

Jerusalem at Night

In 2012, we asked for your support for our Lights, Audio, and Film (L.A.F.) Project. We used those donations to purchase better quality filming equipment used to take more than 700 video clips and photos during the media mission to Israel in September 2012. Visit the website at:

www.cgmissions.com to see the photos and videos that show some of the many places in the Holy Land that were videotaped and photographed for our Bible studies and future television presentations. The journey included well-known Biblical sites, events, and characters from

the Old Testament and New Testament. To name just a few: Jerusalem, Garden of Gethsemane, Mount of Beatitudes, Pool of Bethesda, Jordan River, Sea of Galilee, David's Tomb, Dead Sea, Upper Room, Mount of Olives; the Elah Valley (where David defeated Goliath); Jesus' path from the Garden of Gethsemane to His imprisonment to His crucifixion; Prophetess Deborah and Barak battlefield; Mount Nebo; Capernaum (Jesus' headquarters); Southern Steps where Jesus taught; the Negev Desert; Megiddo; Masada; Mount Temptation; and much more.

Changing of the Guard - November 2012

Television Broadcasts

We are making progress toward broadcasting our video programs on Public Access Television. We are set up with stations in Iowa, Illinois, and Colorado and are working toward establishing broadcast times with more stations. Stay tuned!

The material is presented by Pastors, Professors, Bible Scholars, Theologians, Missiologists, Mobilizers and Missionaries from the Field. The objectives include discovering how we can effectively be a part of the global Christian Movement and help mobilize major church leaders and laymen to be, not only local but, World Christians based on the "Heart of God's Perspective" and His Great Commission to believing followers. (Matthew 28:19-20)
